COMMUNICATION

Sir:

Pursuant to a request from the Examiner made in a telephone conference held on May 2, 1996, Applicants hereby affirm that the paper copy and the computer readable form of the Sequence Listing for this application are identical to those submitted in previous parent applications.

The computer readable form in this application, Serial Number 08/486,409, is identical with that filed in Application Serial Number 08/147,912, filed on November 3, 1993, and is also identical with that filed in Application Serial Number 07/666,252, filed on March 8, 1991. In accordance with 37 C.F.R. 1.821(e), please use the last filed computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in the application serial number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence listing is included in the originally filed specification of the instant application.
